

BEE STANDARDS & LABELLING PROGRAMME — MASTER DATA (2026)

Compiled 26 Jul 2026 | Verify live schedules, lab lists & fee notifications at www.beestarlabel.com > Equipment Schemes before client commitments | Prepared for Instacertify Labs Pvt. Ltd.

A. MANDATORY PRODUCTS (16) — compulsory before manufacture / import / sale, incl. w.e.f. 1 Jan 2026 expansion

S.No	Product / Scheme	Regime & Since	Test Standard (Tested As Per)	Latest Star Rating Table Implemented	Tentative Testing Price (INR, excl. GST)	Indicative NABL / Recognised Labs	BEE Label Fee (per label)
1	Room Air Conditioner (Fixed Speed), up to 10,465 W	Mandatory since 2010	IS 1391 (Part 1); ISEER method	Revised table effective 1 Jan 2026	1,50,000 - 2,50,000 / model	Intertek (Sohna), TUV Rheinland (Bengaluru), UL India (Manesar), SGS, ITC India	Per-label fee as per product schedule; payable quarterly with CA-certified sales data
2	Room AC (Inverter / Variable Speed; incl. Cassette, Floor-Standing Tower, Ceiling, Corner types)	Mandatory 2020; new types 1 Jan 2026	IS 1391 (Part 2); ISO 16358-1 (CSPF/ISEER)	Revised table effective 1 Jan 2026	1,75,000 - 3,00,000 / model	Intertek, TUV Rheinland, UL India, SGS, ITC India	Per-label fee as per product schedule; payable quarterly with CA-certified sales data
3	Frost Free Refrigerator	Mandatory since 2010	IS 15750 / IS 17550 (IEC 62552)	Revised table effective 1 Jan 2026	90,000 - 1,50,000 / model	Intertek, TUV SUD, TUV Rheinland, SGS, URS Labs	Per-label fee as per product schedule; payable quarterly with CA-certified sales data
4	Direct Cool Refrigerator	Mandatory since 1 Jan 2016	IS 1476 (Part 1) / IS 17550	Revised table effective 1 Jan 2026	75,000 - 1,20,000 / model	Intertek, TUV SUD, TUV Rheinland, SGS, URS Labs	Per-label fee as per product schedule; payable quarterly with CA-certified sales data
5	Deep Freezer	Mandatory 1 Jan 2026 (voluntary since Mar 2020)	IS 7872; IEC 62552 method	1 Jan 2026 - 31 Dec 2028 (BEE advisory)	80,000 - 1,20,000 / model	Intertek, TUV SUD, SGS, ITC India	Per-label fee as per product schedule; payable quarterly with CA-certified sales data
6	Ceiling Fan (incl. BLDC)	Mandatory 1 Jan 2023	IS 374:2019; service value	Revised table implemented (verify validity)	30,000 - 60,000 / model	ERTL(N) Delhi, Spectro, ITC India, Intertek	Per-label fee as per product schedule; payable quarterly with CA-certified sales data
7	Colour TV / Ultra-HD TV	Mandatory 2010; UHD 1 Jan 2026	IS 616 (safety); IEC 62087 energy method	Revised table effective 1 Jan 2026 (TV ratings shifted up 1 star)	50,000 - 90,000 / model	Intertek, UL India, TUV Rheinland, Spectro	Per-label fee as per product schedule; payable quarterly with CA-certified sales data
8	Electric Storage Water Heater (Geyser)	Mandatory since 2015	IS 2082; standing loss	Current table in force	45,000 - 75,000 / model	Intertek, ITC India, Spectro, TUV Rheinland	Per-label fee as per product schedule; payable quarterly with CA-certified sales data
9	Washing Machine	Mandatory 1 Jul 2023	IS 302-2-7 (safety); IEC 60456 performance	Current table in force	70,000 - 1,10,000 / model	Intertek, TUV Rheinland, UL India, SGS	Per-label fee as per product schedule; payable quarterly with CA-certified sales data
10	Tubular Fluorescent Lamp	Mandatory since 2010	IS 2418	Current table in force	15,000 - 30,000 / model	ERTL, Spectro, Nemko, ITC India	Per-label fee as per product schedule; payable quarterly with CA-certified sales data
11	LED Lamp (Self-Ballasted)	Mandatory 1 Jan 2018	IS 16102 (Pt 1&2); IS 16106 / LM-79 photometry	Current table in force	20,000 - 40,000 / model	Spectro, ERTL, Nemko, ITC India	Per-label fee as per product schedule; payable quarterly with CA-certified sales data

S.No	Product / Scheme	Regime & Since	Test Standard (Tested As Per)	Latest Star Rating Table Implemented	Tentative Testing Price (INR, excl. GST)	Indicative NABL / Recognised Labs	BEE Label Fee (per label)
12	Distribution Transformer (up to 2500 kVA)	Mandatory since 2010	IS 1180 (Part 1); losses at 50% & 100% load	Current table in force	1,00,000 - 2,00,000 / rating	ERDA Vadodara, CPRI (Bengaluru/Bhopal/Noida), NHPTL	Per-label fee as per product schedule; payable quarterly with CA-certified sales data
13	Domestic LPG Stove	Mandatory 1 Jan 2026	IS 4246 (thermal efficiency)	First mandatory table effective 1 Jan 2026	15,000 - 30,000 / model	Shriram Institute (Delhi), ITC India, BIS-recognised IS 4246 labs	Per-label fee as per product schedule; payable quarterly with CA-certified sales data
14	Chiller (Water / Air Cooled)	Mandatory 1 Jan 2026 (voluntary since 2018)	AHRI 550/590 / 551/591; IS 16590; IPLV	First mandatory table effective 1 Jan 2026	3,00,000 - 6,00,000 / model	AHRI-certified labs; witnessed factory testing per schedule; Intertek	Rs 3 per kW per label (Chiller Labels Regulations 2023)
15	Cooling Tower	Mandatory 1 Jan 2026	CTI STD-201 / ATC-105 thermal performance	First mandatory table effective 1 Jan 2026	2,00,000 - 4,00,000 (site/witness)	CTI-certified test agencies; NABL mechanical labs	Per-label fee as per product schedule; payable quarterly with CA-certified sales data
16	Grid-Connected Solar Inverter	Mandatory 1 Jan 2026 (voluntary since 2019)	IS 16221 (Pt 2); IEC 61683 / IS 16169 efficiency	First mandatory table effective 1 Jan 2026	1,00,000 - 2,00,000 / model	UL India, TUV Rheinland, Intertek, NISE (Gurugram)	Per-label fee as per product schedule; payable quarterly with CA-certified sales data

B. VOLUNTARY PRODUCTS (19) — optional, but full compliance mandatory once registered

S.No	Product / Scheme	Regime & Since	Test Standard (Tested As Per)	Latest Star Rating Table Implemented	Tentative Testing Price (INR, excl. GST)	Indicative NABL / Recognised Labs	BEE Label Fee (per label)
17	Induction Motor (3-phase)	Voluntary since 2009	IS 12615; IEC 60034-2-1 efficiency	Current table in force	40,000 - 80,000 / rating	ERDA, CPRI, ICAT, SITARC	Per-label fee as per product schedule; payable quarterly with CA-certified sales data
18	Agricultural Pump Set (Monoset/Submersible/Openwell)	Voluntary since 2009	IS 8034, IS 9079, IS 14220, IS 6595	Current table in force	30,000 - 60,000 / model	FCRI Palakkad, SITARC, PSG Coimbatore, ERDA	Per-label fee as per product schedule; payable quarterly with CA-certified sales data
19	Diesel Engine Driven Monoset Pump	Voluntary since 2013	IS 11501	Current table in force	40,000 - 70,000 / model	FCRI, SITARC, ARAI	Per-label fee as per product schedule; payable quarterly with CA-certified sales data
20	Ballast (Electronic / Magnetic)	Voluntary since 2009	IS 1534 / IS 13021	Current table in force	15,000 - 25,000 / model	ERTL, Spectro, ITC India	Per-label fee as per product schedule; payable quarterly with CA-certified sales data
21	Office Equipment (Printer, Copier, MFD)	Voluntary since 2014	ENERGY STAR TEC/OM method	Current table in force	30,000 - 60,000 / model	Intertek, UL India, TUV Rheinland	Per-label fee as per product schedule; payable quarterly with CA-certified sales data
22	Computer (Notebook / Laptop)	Voluntary since 2014	IEC 62623 (ETEC)	Current table in force	35,000 - 60,000 / model	Intertek, UL India, TUV Rheinland	Per-label fee as per product schedule; payable quarterly with CA-certified sales data
23	Solid State Inverter (Home UPS)	Voluntary since 2016	IS 13314	Current table in force	30,000 - 50,000 / model	ERTL, Spectro, ITC India, Intertek	Per-label fee as per product schedule; payable quarterly with CA-certified sales data

S.No	Product / Scheme	Regime & Since	Test Standard (Tested As Per)	Latest Star Rating Table Implemented	Tentative Testing Price (INR, excl. GST)	Indicative NABL / Recognised Labs	BEE Label Fee (per label)
24	Diesel Generator Set (up to 800 kW)	Voluntary since 2018	ISO 8528 / IS 4722; SFC	Current table in force	1,50,000 - 3,00,000 / rating	ARAI Pune, ICAT Manesar	Per-label fee as per product schedule; payable quarterly with CA-certified sales data
25	Microwave Oven	Voluntary since 2019	IEC 60705; IS 302-2-25 safety	Validity extended per BEE advisory	30,000 - 50,000 / model	Intertek, TUV Rheinland, ITC India	Per-label fee as per product schedule; payable quarterly with CA-certified sales data
26	Solar Water Heater	Voluntary since 14 Dec 2019	IS 12976 / IS 16544	Validity extended per BEE advisory	50,000 - 90,000 / system	NISE Gurugram, TUV Rheinland, Intertek	Per-label fee as per product schedule; payable quarterly with CA-certified sales data
27	Light Commercial Air Conditioner (LCAC)	Voluntary since 2 Mar 2020	IS 1391 (Pt 3) / ISO 5151 / ISO 16358; balanced ambient calorimeter	Current table (Schedule 24)	2,00,000 - 3,50,000 / model	Intertek, TUV Rheinland, UL India	Per-label fee as per product schedule; payable quarterly with CA-certified sales data
28	Air Compressor	Voluntary since 2020	ISO 1217 specific power	Validity extended per BEE advisory	1,00,000 - 1,75,000 / model	CPRI, Intertek, NABL mechanical labs	Per-label fee as per product schedule; payable quarterly with CA-certified sales data
29	High Energy Li-ion Battery / Storage	Voluntary since 2021	IS 16893 / IEC 62620; round-trip efficiency	Current table in force	1,00,000 - 2,00,000 / model	UL India, TUV Rheinland, Intertek, ARAI	Per-label fee as per product schedule; payable quarterly with CA-certified sales data
30	Tyres (C1, C2, C3 - AIS 142 scope)	Voluntary since 2021	IS 15633 (rolling resistance), IS 15636 (wet grip)	Current table in force	1,00,000 - 1,80,000 / tyre line	ARAI, ICAT, NATRAX	Per-label fee as per product schedule; payable quarterly with CA-certified sales data
31	Pedestal / Table / Wall Fan	Voluntary since 2022	IS 555; service value	Validity extended per BEE advisory	25,000 - 45,000 / model	ERTL, Spectro, ITC India, Intertek	Per-label fee as per product schedule; payable quarterly with CA-certified sales data
32	Induction Hob / Cooktop	Voluntary since 2023	IS 302-2-6 (safety); BEE schedule efficiency	Current table in force	25,000 - 45,000 / model	Intertek, ITC India, Spectro	Per-label fee as per product schedule; payable quarterly with CA-certified sales data
33	Evaporative Air Cooler	Voluntary launch 2024	IS 3315; cooling efficiency & power	First voluntary table in force	30,000 - 55,000 / model	Intertek, ITC India, NABL air-flow labs	Per-label fee as per product schedule; payable quarterly with CA-certified sales data
34	EV Charger (EVSE)	Voluntary (new, 2026 Regulations)	IS 17017 series; BEE schedule efficiency	First table under 2026 Regulations (verify)	80,000 - 1,50,000 / model	ARAI, ICAT, UL India, TUV Rheinland	Per-label fee as per product schedule; payable quarterly with CA-certified sales data
35	Solar PV Module	Voluntary (new, 2026 Regulations)	IS 14286 / IEC 61215, IEC 61730	First table under 2026 Regulations (verify)	1,50,000 - 2,50,000 / family	NISE, UL India, TUV Rheinland, Intertek	Per-label fee as per product schedule; payable quarterly with CA-certified sales data

C. GOVERNMENT FEES & LABEL FEES — BEE (Labelling Fees) Regulations 2025 / Appliance Labelling & Compliance Regulations 2026

S.No	Fee Head	MSME / Small Enterprise	Medium & Large Enterprise	Frequency / Trigger	Remarks
1	Brand / Company Registration	Rs 50,000	Rs 3,00,000	One-time per brand	As provided by Instacertify (user input, Jul 2026); MSME status via Udyam
2	Model Registration	Rs 300 per model	Rs 5,000 per model	Per model / on table revision	As provided by Instacertify (user input, Jul 2026)
3	Company Registration Application Fee	Rs 5,000	Rs 5,000	One-time application	Per BEE (Labelling Fees) Regulations, 2025
4	Label Security Deposit	Rs 1,00,000 per appliance	Rs 5,00,000 per appliance	One-time, refundable on exit	Per Labelling Fees Regulations 2025; reduced deposit for small-scale industry
5	Label Permission Fee	Rs 5,000 per application	Rs 5,000 per application	At model label permission	Permission valid 3 years under 2026 Regulations
6	Label Permission Renewal Fee	Rs 1,000	Rs 1,000	On star-rating revision	NIL if renewal merely continues existing rating / endorsement label
7	Label Fee (per label affixed)	Product-specific rate	Product-specific rate	Quarterly, with CA-certified sales data	E.g. Chiller: Rs 3 per kW per label; other products per their schedule; late payment attracts penalty

NOTES: (1) Test report must be less than 1 year old at submission, from an NABL-accredited lab. (2) Rating-table revision = fresh testing + model re-registration. (3) Non-payment of label fees can forfeit the security deposit; defaulters are publicly notified. (4) QR code on labels compulsory (refrigerators from Oct 2025); verified retailer list upload required on the portal. (5) Testing prices are tentative market ranges — confirm per model / capacity with the lab. (6) Standards, dates and lab scopes are indicative — verify live schedule PDFs on beestarlabe.com before client commitments.
